About Us

Founded in Dhaka with a mission to foster **innovation, collaboration, and efficiency**, WorkStation 101 began as a premier **co-working space** serving solopreneurs, freelancers, startups, and established teams. As businesses evolved, so did we: today we offer **offshore staffing solutions, comprehensive IT services, and training & e-learning programs**, empowering organizations both locally and abroad .

Our Core Services

Coworking & Virtual Office Solutions

- Flexible workspaces from **Hot Desk, Premium Desk, to Private Offices**.
- **Meeting Rooms & Event Spaces**.
- **Virtual Office**.

IT Services

- Supply of **computer hardware & software, network infrastructure, CCTV, servers, web & software development, email/file servers, and remote helpdesk support**.
(As provided by WorkStation 101 core offerings.)

Training & E-Learning

- On-site & virtual **IT training programs, corporate software training, custom e-learning modules, and internship & skill-building initiatives**.
(Modeled after your existing service suite.)

Remote Staffing & BPO Services

- Offshore talent placements for Australian clients through Dhaka resource center.
- Roles include customer service, data entry, executive assistance, marketing, project management, office admin, and communication roles.

- Key benefits: no long-term contracts, cost-effective, operational management handled, aligned with Australian standards & culture.
