# ABOUT US

.....> BUSINESS PROPOSAL

At Zoom Tech Street, we are a team of experts in e-commerce image editing and 3D visualization. Since our establishment in 2018, we've been helping businesses just like yours to enhance their online presence with visually stunning images that convert. Our team of experienced professionals combines state-of-the-art technology with an unrivaled eye for detail, resulting in e-commerce images that stand out and drive sales. We're not just an agency, we're your e-commerce partner, committed to providing top-notch services and delivering measurable results. With a proven track record of success and a commitment to customer satisfaction, we're the obvious choice for businesses looking to take their e-commerce to the next level.

# WHAT WE DO

.....> BUSINESS PROPOSAL

At Zoom Tech Street Company, we pride ourselves on delivering superior retouching services to our clients. Our team of over 105 highly trained and experienced professionals, each with a minimum of 5 years industry experience, is equipped to handle any retouching project, whether it be a small task or a full-scale post-production job. We offer a comprehensive range of retouching services, including clipping path, layer masking, retouching, and shadowing, to ensure that our clients receive the best possible results.

DIANA  
FASHION ECOMMERCE

Zoom Tech Street has produced outstanding results.

**Denis Onsay**  
Photographer, CCV Mode

Beautiful imagery and attention to detail. I don't know where we would be without it. It has saved me so much time and has such great quality.

**Jessica Khurana**  
Owner, jewelry medias

It started with my inn project but ended up purchasing pretty home decor for my personal space.

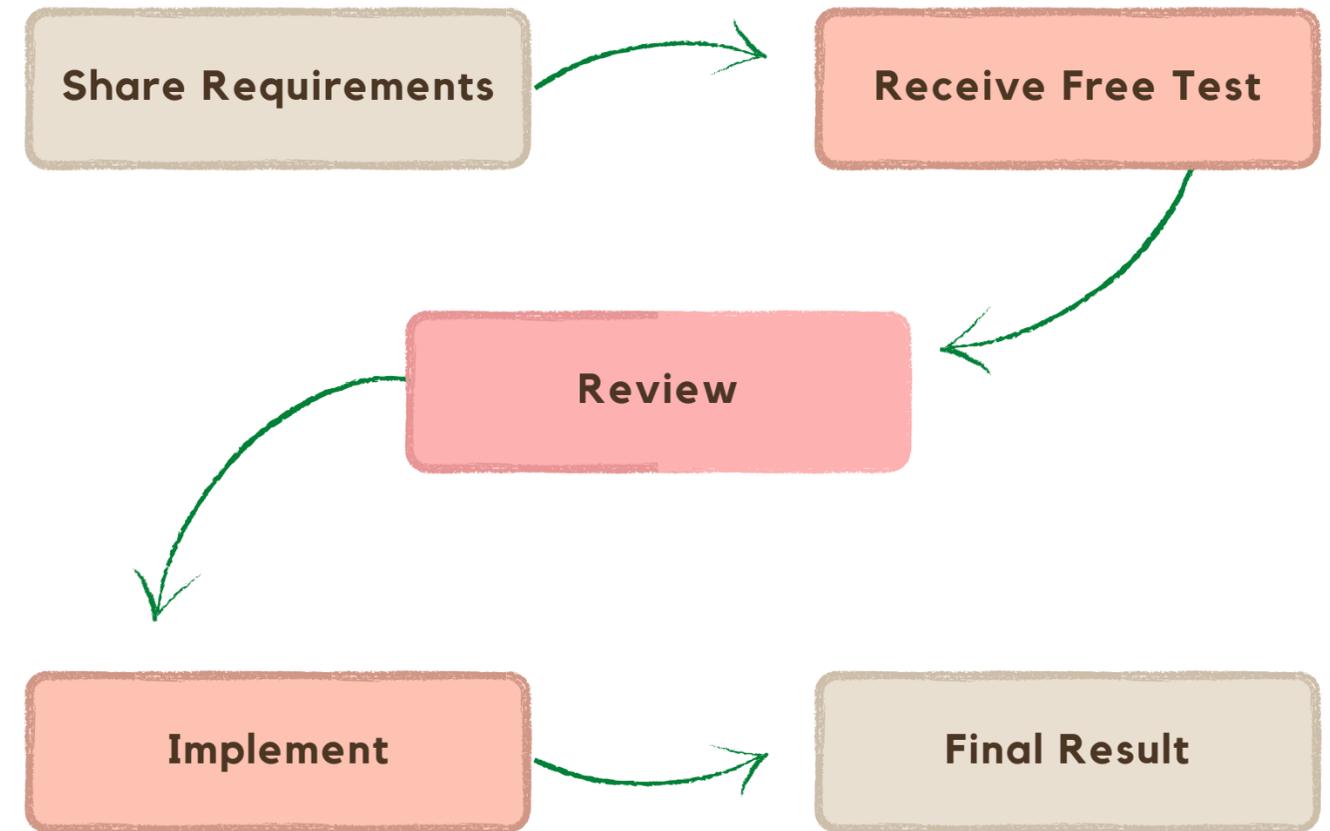

**Karolina Leczkowski**  
Art Director, Aeyde

# OUR WORKFLOW

You can check on the task's progress whenever you need to using a phone or laptop, or you can completely disregard it until the results are delivered. Your client manager will ensure that everything goes as planned. There is no need for fresh justifications for each project because you always deal with the same crew.
