Introduction

Jibontori Technical Training Academy is a nationally accredited and professionally managed technical education institution committed to developing a skilled, self-reliant, and globally competitive workforce. Strategically located in Rajshahi, Bangladesh, the academy has earned recognition for offering industry-aligned training in diverse vocational trades.

Approved and monitored by the **National Skills Development Authority (NSDA)** under the Prime Minister's Office, Government of Bangladesh, Jibontori stands out for its quality-driven, competency-based education that directly supports local employment and international freelancing opportunities.

We are positioned as a catalyst for inclusive growth and sustainable livelihoods, with a strong focus on women empowerment, youth employment, and industry partnership.

Vision, Mission & Core Values

Vision:

To be a nationally respected and internationally recognized center of excellence in technical and vocational education.

Mission:

- To provide accessible, affordable, and market-driven skills training.
- To empower underprivileged and marginalized communities through employable competencies.
- To enhance Bangladesh's workforce readiness for the global economy.

Core Values:

Excellence | Integrity | Inclusion | Innovation | Accountability | Impact

Our classrooms are air-conditioned, multimedia-enabled, and conducive to collaborative learning.

Human Resources and Trainers

Jibontori's success is driven by a team of over 20 certified trainers, including:

- NSDA/BTEB certified Master Trainers
- Industry consultants and experienced freelancers
- Female trainers for gender-inclusive empowerment

We prioritize continuous professional development (CPD) to maintain training quality.

Partnerships, Projects, and Collaboration Opportunities

We actively seek collaboration with:

- **Government bodies** (NSDA, BTEB, SEIP)
- **International donors and NGOs** for youth employment and women's empowerment
- **Industry partners** for placement, apprenticeship, and curriculum co-creation

We welcome project proposals, research partnerships, and institutional collaborations that promote skill development and inclusive growth.

Student Services and Impact

- **Career Counseling**
- **Freelancing Bootcamps**
- **Internship and Apprenticeship Matching**
- **Startup Incubation Guidance**

Over 2,000+ trainees have successfully completed programs, with many securing employment or launching freelance businesses both locally and internationally.

Quality Assurance and Monitoring

Our training delivery strictly follows the NSDA's Competency-Based Training (CBT) and Assessment (CBA) methodology. We apply:

- Regular internal audits
- External validation and certification
- Feedback systems from trainees and employers

Future Plans and Expansion Strategy

- Launching e-learning platforms with LMS
- Introducing emerging skills (AI, Robotics, 3D Printing)
- Establishing job placement cells
- Building satellite campuses in rural areas
