

INNOVA COMPUTERS INSTITUTE

IT Training &
Digital Solutions Agency

Who We Are?

Innova Computers institute is an IT Training and Digital Solutions Agency based in Bangladesh, working to develop skilled individuals and support businesses with modern technology. Since 2020, we have been helping people build practical IT skills and create better career opportunities.

We offer hands-on training programs conducted by experienced instructors, designed for people from all backgrounds. Our goal is to turn learning into real ability so that students can confidently move into jobs, freelancing, or further growth.

Along with training, we provide IT support, software development, and digital solutions for businesses. We help organizations improve their systems, solve technical problems, and move towards more efficient digital operations.

At Innova Computers institute, we focus on practical results. We train, we support, and we build solutions that make a real difference for both individuals and businesses.

Our Previous work

Char Jabbar Mahmudia Dakhil Madrasah is a well-established secondary education institute located in Noakhali, serving over 1,000 students with the support of more than 30 dedicated staff members.

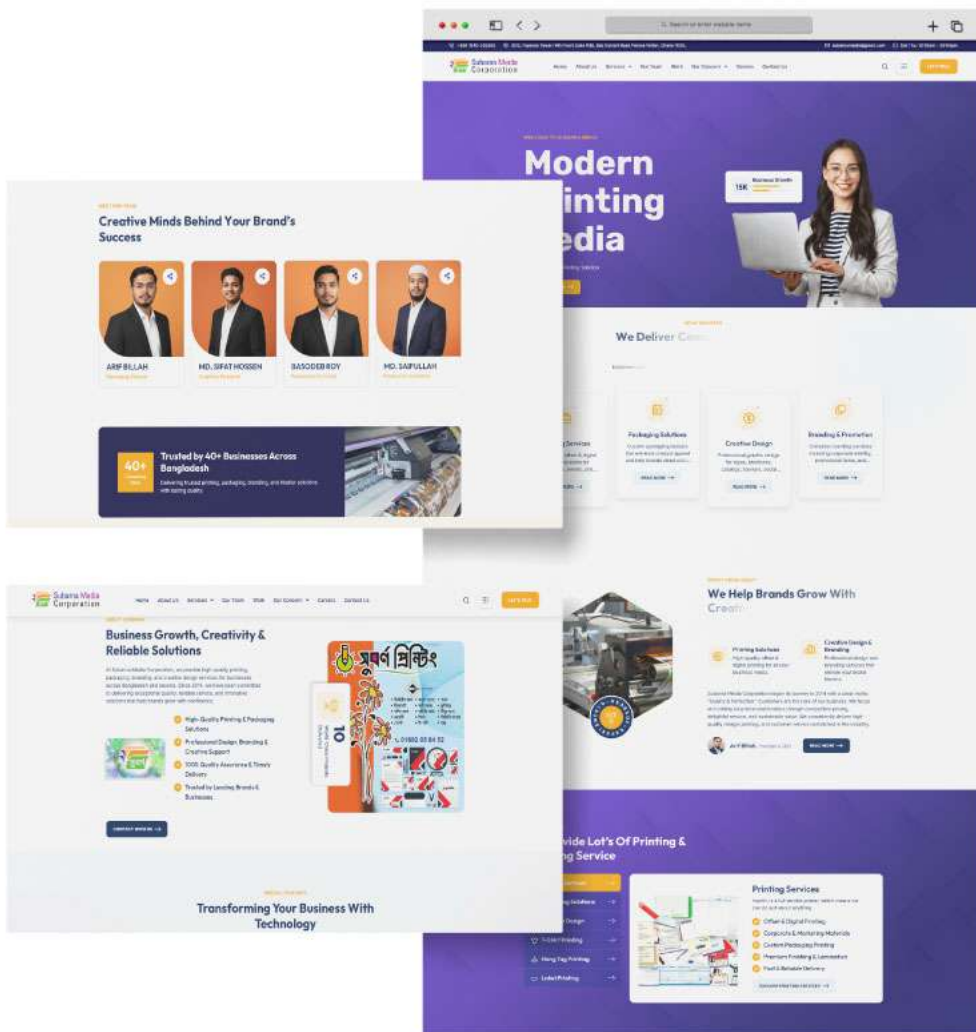

The official website of the institution was designed and developed by **INNOVA Computers Institute**, ensuring a modern, user-friendly, and informative digital presence.

Berlo Communications Ltd. is a modern and dynamic PR agency in Bangladesh, offering a wide range of services including event management, public relations, content creation, advertisement, and strategic communication.

The company is committed to delivering innovative and impactful communication solutions that help brands grow and connect with their audiences effectively.

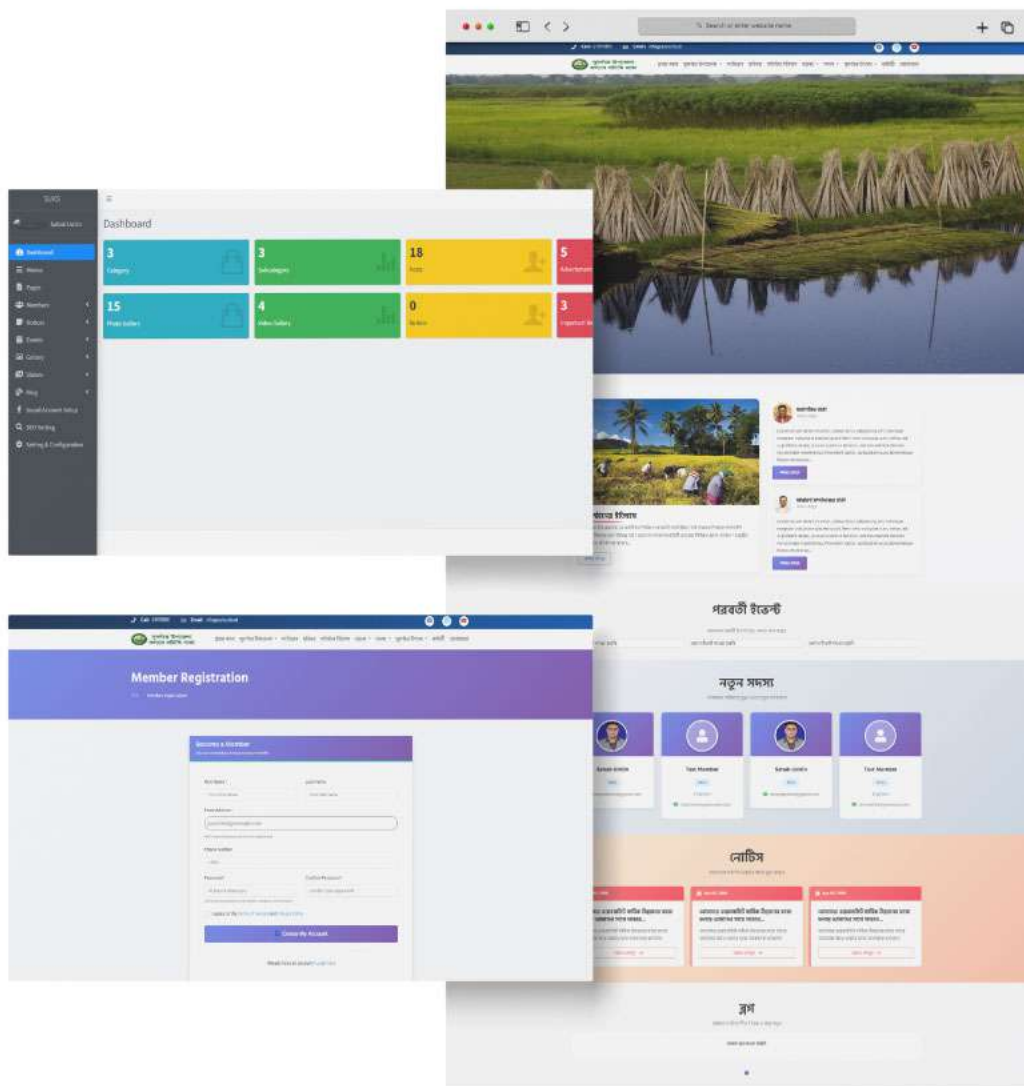

The official website of Berlo Communications Ltd. was designed and developed by **INNOVA Computers Institute**, providing a sleek, user-friendly, and professional digital platform.

At **Subarna Media Corporation**, we specialize in delivering high-quality printing, packaging, branding, and creative design services for businesses across Bangladesh and beyond.

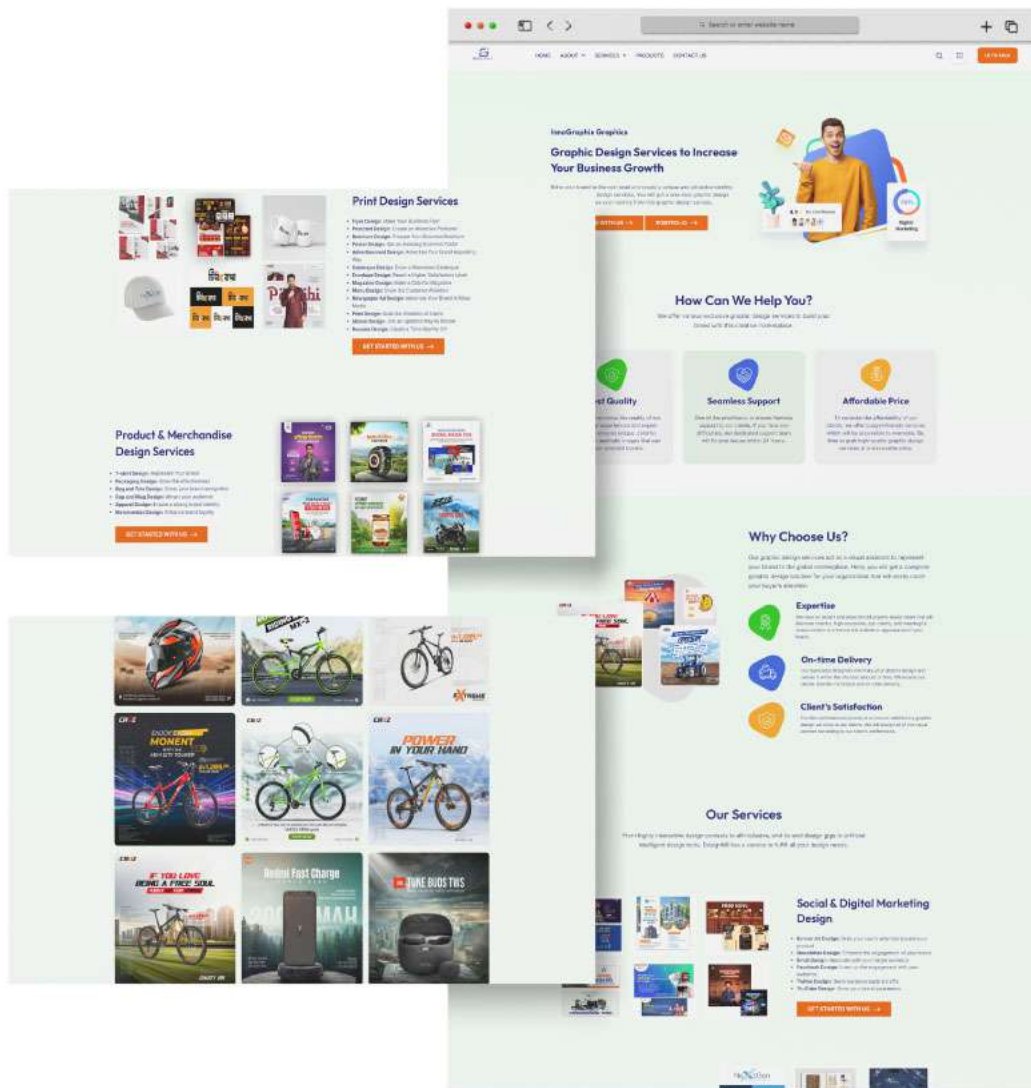

Since our establishment in 2014, we have remained committed to excellence offering reliable service, innovative solutions, and outstanding craftsmanship that empower brands to grow with confidence.

The official website of Subarna Media Corporation was designed and developed by **INNOVA Computers Institute**, ensuring a modern, user-friendly, and professional online presence.

At **INNOVA Computers Institute**, we are proud to have designed and developed the official website for **Subarnachar Upazila Kollyan Somiti Dhaka**, a non-profit organization dedicated to social welfare and community development.

Our team created a modern, user-friendly, and informative digital platform that helps the organization effectively communicate its mission, activities, and impact to a wider audience.

At **INNOVA Computers Institute**, we are proud to have designed and developed the official website for **Innographix BD**, one of the leading digital agencies in Bangladesh.

Innographix BD offers a wide range of services including graphic design, video editing, and 360° digital marketing solutions, helping businesses build strong and impactful digital identities.

Our goal was to create a modern, visually engaging, and user-friendly website that reflects their creativity, expertise, and leadership in the digital industry.
