

Company Profile: Bek & Co.

Executive Summary

Bek & Co. is a global professional services firm with offices at **14226 216th Ave NE, Woodinville, Washington (USA)**, and Niketon, **Dhaka, Bangladesh**. Operating at the intersection of human capital and financial management, Bek & Co. provides end-to-end recruitment solutions, strategic HR consulting, financial advisory, and corporate development programs. The firm serves as a bridge for businesses seeking operational efficiency, cross-border talent acquisition, and sustainable growth.

Corporate Mission & Value Proposition

- **Mission Statement:** To empower organizations by building thriving workforces, establishing financial clarity, and fostering an environment of continuous organizational growth.
- **Core Philosophy:** Combining global reach with localized insights to deliver custom solutions that align people, processes, and performance with strategic business objectives.

Core Service Offerings

Service Area	Key Capabilities
GlobalLocal Recruitment Solutions	Headhunting, international talent sourcing, candidate screening, and cross-border placement to match organizations with culture-aligned talent.
Strategic HR Consulting	Workforce planning, organizational structuring, HR policy development, compliance, and employee engagement frameworks.
Accounting & Taxation Services	Comprehensive financial management, tax compliance, bookkeeping, and financial reporting aimed at maximizing operational efficiency.
Corporate Training & Development	Tailored training programs, soft skills workshops, leadership development, and capability-building initiatives.

Global Footprint

With operational presence in major economic hubs, Bek & Co. leverages its dual footprint to serve clients seamlessly across North American and Asian markets:

- **Seattle, WA, USA:** Driving strategic oversight, corporate partnerships, and regional client engagement.
- **Dhaka, Bangladesh:** Serving as a primary hub for global talent operations, consulting delivery, and regional execution.
